

No Pony? No Problem!

Pony Club Australia is the largest and oldest equestrian organisation in Australia. For 80 years, our clubs have taught people how to be happy, safe and successful with their own horses.

Now everyone can experience our system – even riders who don't have their own horse, or the exclusive use of a horse.

Riders aged between 5 and 80 can experience Pony Club by becoming a Centre Member and riding trained school horses at one of our Pony Club Accredited Centres.

Centre Membership is funded through Sport Australia's MOVE IT AUS Participation Grant program.
