Are you ready for your E Proficiency Certificate?

Are you in control of your horse at the walk and trot and can you care for your horse?

You should think about going for your E certificate and booking an assessment if you can do the following:

With your horse, do you know:

- What to wear to be safe
- Ways to reward your horse
- How to communicate what you would like your horse to do (the aids)?

Can you show:

- How to approach your horse and put on the head collar
- How to lead your horse, including stop and go
- How to tie your horse up safely
- How to let your horse go?

When riding, do you know how to:

- Mount and dismount
- Hold the reins
- Start, stop and steer your horse at the walk and trot?

Have you learnt:

- What your horse needs each day to be healthy
- The tools you need for grooming
- The equipment you need for riding and how to care for it
- Some parts of the horse
- Different colours and markings of horses?
