# BUILD YOUR OWN **WEBSITE**

### Let the members come to you!

Creating your own shop window on the web is the best way to attract new members to your club. Link your new website with your membership system for streamlined administration and a simple member experience.

Erne Paddles are a JustGo Pro community member based in the UK.

### CREATE A MEMBERSHIP JOURNEY

### **Enhance member experience**

Break up your data capture and include additional data fields, products and crucial information such as Emergency Contact in the membership purchase journey to ensure your members get the best experience and you capture the right data at the right time.

# AUTOMATE YOUR **PAYMENTS**

### **Subscriptions and Instalments**

Allow your members to automatically renew their membership each year so nobody has to lift a finger with subscriptions. Or if your members need a little help with making payments throughout the year instead of paying upfront—this can be easily setup with the instalments feature.
