### Financial Riding PCA Members (24/7 Cover)

If you are a **Financial Riding Member** you are automatically insured for legal liability in respect of your personal equestrian related activities, provided that you are normally domiciled in Australia or New Zealand.

If the horse is kept at agistment or is loaned to someone else and used for non-business purposes you, as the owner, are still covered.

If, as a parent or guardian, you are held legally liable to pay damages and/or costs and expenses as a result of an action by your child who is a Financial Riding Member, while your child is engaged in non-income earning equestrian activities, the policy provides cover for you as the parent or guardian.

If you are held legally liable to pay damages and/or costs and expenses as a result of your own negligence, your child's insurance will not protect you and you need your own insurance.

If legal liability is proved, the policy will pay damages up to \$20,000,000 for any one claim. In respect of Public Liability the number of claims is unlimited, however Products Liability is limited to \$20,000,000 any one claim and in all. It also pays all costs incurred with the consent of Insurers, in defending the claim.

The PCA policy covers incidents in connection with the use/ownership of a horse or pony and includes the liability of one Member to another.

Business activities will require separate insurance.

### Registered Day Members of PCA Affiliated Club

Those who are **Registered Day Members**, and who pay the appropriate insurance fee per day, are covered for Public Liability whilst attending and/or participating in PCA approved activities sanctioned and/or authorised by PCA and/or any of their Affiliated Clubs where you are liable for causing bodily injury or property damage to others, excluding whilst travelling to and from such event.

## **Exclusions**

All insurance policies contain exclusions (circumstances in which you will not be covered); the main ones on this policy are:

1. Claims against you by members of your family or anyone in your employment.
2. Any business or profession.
3. The use of a horse or horse drawn vehicle for hire or reward.

## **In The Event Of A Claim**

You must advise Gow-Gates in writing immediately if you have knowledge of any impending prosecution, inquest or fatal accident inquiry in connection with the above.
