Introducing JustGo Pro

Take your club administration to the next level by enhancing your member experience, simplifying your processes further and creating your very own shop window with JustGo PRO.

Build your own website

Create a membership journey

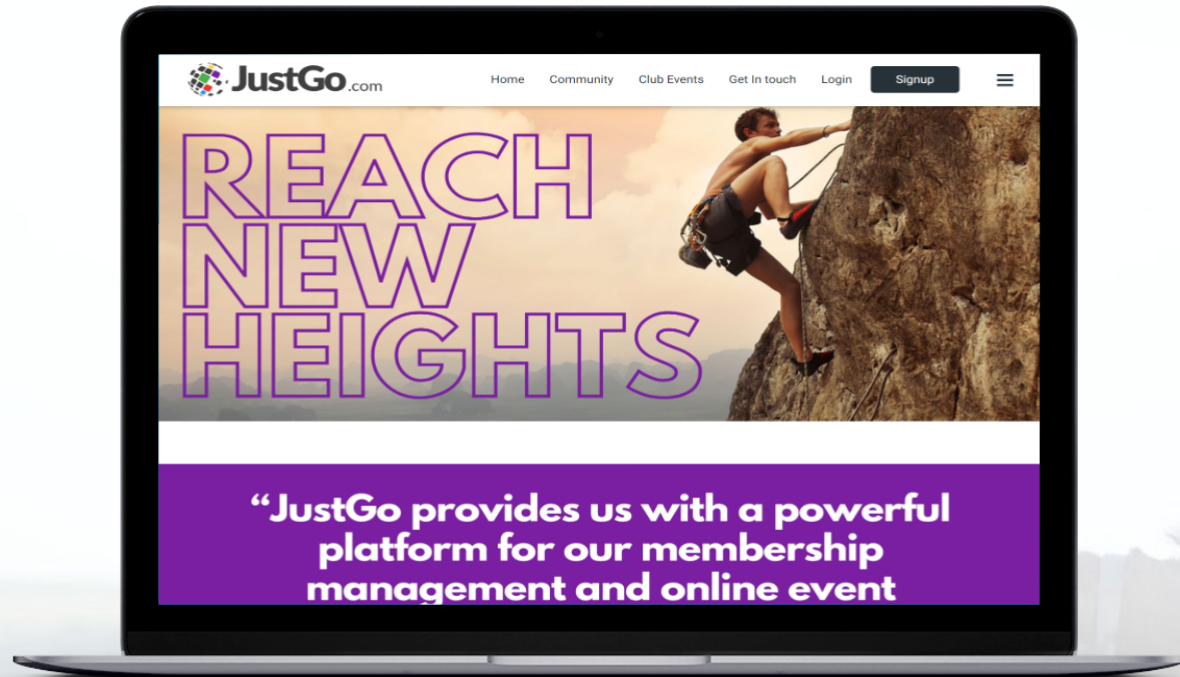

Include products and donations

Automatic payments

BUILD YOUR OWN WEBSITE

Let the members come to you!

Creating your own shop window on the web is the best way to attract new members to your club. Link your new website with your membership system for streamlined administration and a simple member experience.

Erne Paddles are a JustGo Pro community member based in the UK.

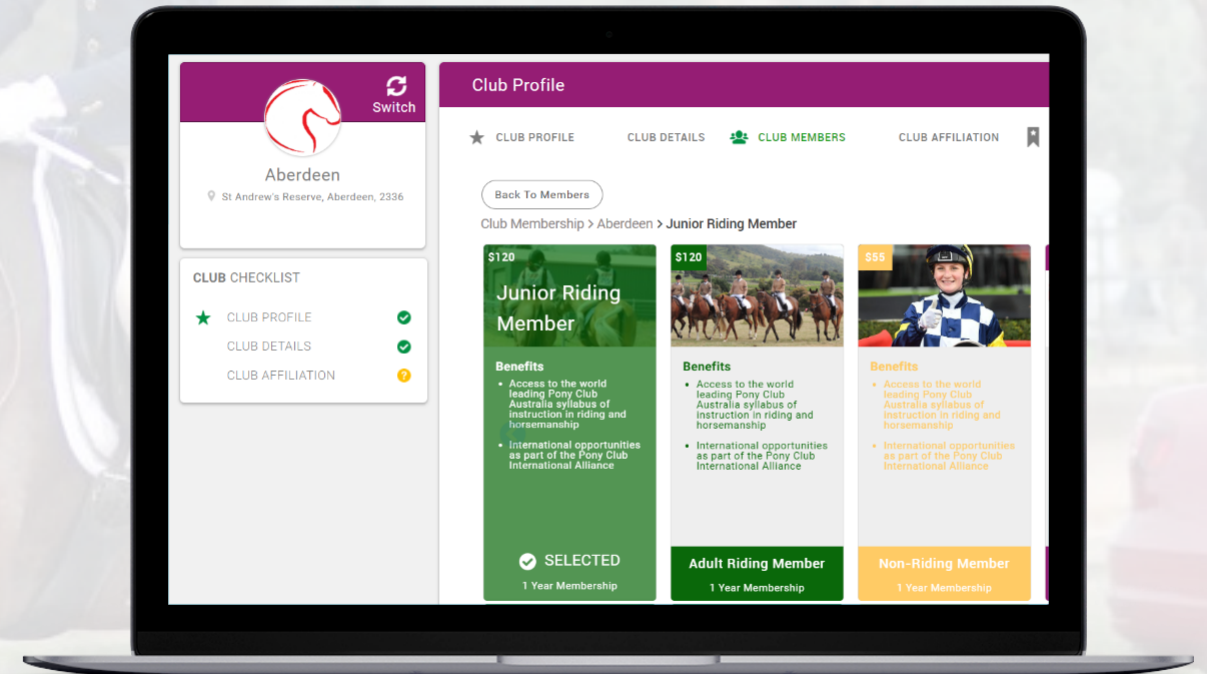

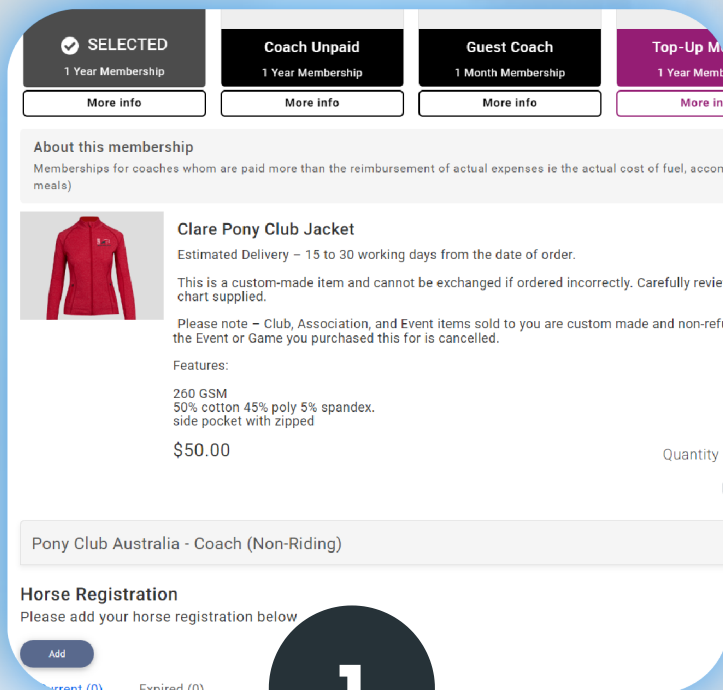

CREATE A MEMBERSHIP JOURNEY

Enhance member experience

Break up your data capture and include additional data fields, products and crucial information such as Emergency Contact in the membership purchase journey to ensure your members get the best experience and you capture the right data at the right time.

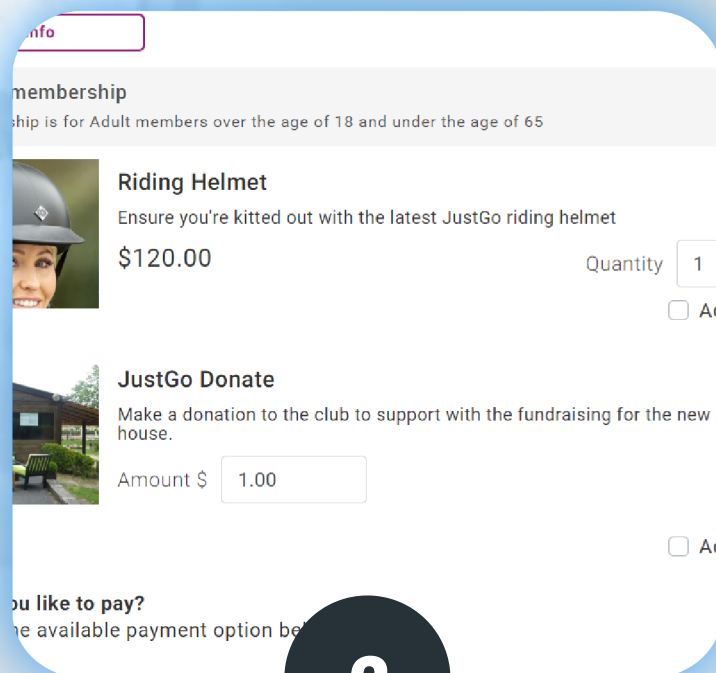

PRODUCTS AND DONATIONS

1

Merchandise

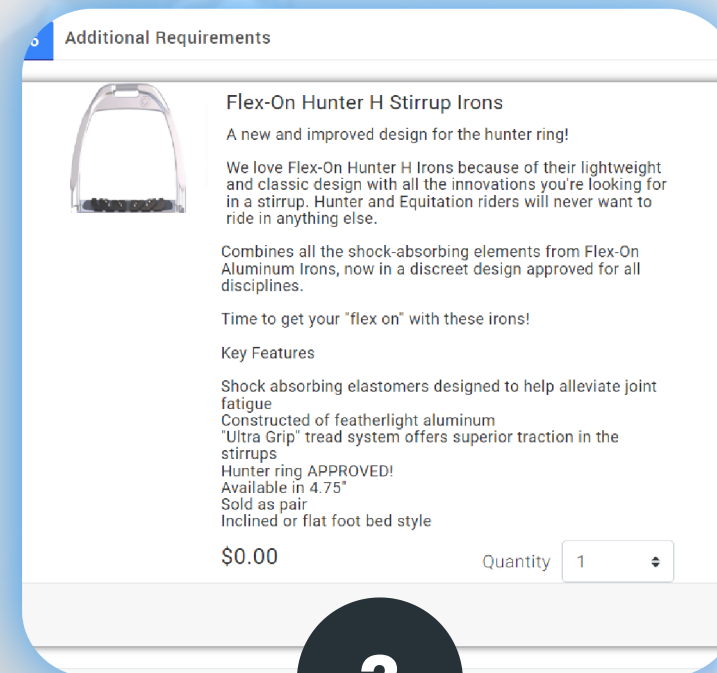

Upsell club merchandise during the membership journey to increase your revenues.

2

Donations

Let your members make donations to your club and select the amount they would like to give.

3

Equipment

Ensure your members have everything they need and offer them equipment in the membership journey.

Subscriptions and Instalments

Allow your members to automatically renew their membership each year so nobody has to lift a finger with subscriptions. Or if your members need a little help with making payments throughout the year instead of paying upfront—this can be easily setup with the instalments feature.
